Email: kmc@kmc.nsw.gov.au

Web: www.kmc.nsw.gov.au

Hours:

Lodging an application

Monday to Friday, 8:30am – 5:00pm

Fees:

Fees are based on Council's adopted schedule of fees.

Payment methods

You may pay by cash, eftpos or cheque. Make cheques payable to 'Ku-ring-gai Council'. Please do not send cash in the mail.

Transport and Parking:

Bus or Rail

The Council is located within five minutes walking distance from Gordon train station. From the station, head west up via St Johns Ave to the Pacific Highway. Turn right and walk to the end of the block along the Pacific Highway. Cross the Pacific Highway at the lights and walk right to Council Chambers.

Parking

Some short-term Visitor Parking spaces are available on site behind the Council Chambers in Radford Place. A lift is accessible from within the building on level one. This lift is accessible to people using wheelchairs via a ramp.

Limited on-street parking is also available in nearby streets.

Accessible Parking

Radford Place, behind Council Chambers, provides parking spaces for people with disabilities. These spaces are adjacent to the accessible ramp to Level 1 and lift which may be taken to the Customer Service Counter on Level 4 and the Pacific Highway main entrance.

Placement of Waste Containers in a Public Place

This guide provides you with information to enable you to identify the plans and supporting documentation you will need to provide.

Council will not accept your application if you fail to provide all relevant documentation

Terms & Conditions

- Council will not permit the permanent storage of a waste container without prior consent.
- Council will not permit a waste container to be stored on public land where there is adequate space available on private property or no proof of the resident's physical incapacity is provided.
- Council will not permit the storage of waste containers on public land where such placement may endanger the safety of pedestrians or create a hazard to vehicular traffic.
- Consideration may be given to the storage of a waste container on public land where there exists exceptional site conditions on the private land that prevents the storage of a waste container on private land.

Application form

The application form requires you to answer specific questions and provides you with prompts to provide other information that is required for the assessment of the application. All questions must be answered and other information requested must be submitted.

Standards of Documents

The plans and documents must be accurate and legible. Any misleading details may result in the refusal of the application.

The Plans shall:

- have dimensions in metric.
- be to a scale of 1:100 or other readily legible scale
- show the subject site, adjoining sites, the kerb, all other Council street furniture, planters, signs, power poles and trees/shrubs and the area proposed for the activity.
- show the dimensions of the length of the subject site, the width of the footpath/roadway, the area proposed to be used and dimension of a clear pedestrian access.
- Show the extent of tree canopies in relation to the proposed storage location.
- show all public utilities that may be located within the proposed area of use.
- Show location of the proposed waste container in relation to bends in the road, intersections, required sight lines to exit driveways.

Supporting material and documentation

- The Public Liability Insurance policy to be provided shall cover the activity and include Ku-ring-gai Council on the policy so that Council is indemnified for claims arising from the activity.
- Submit photographs of any pre-existing damage to footways/roadway in the proposed area of use.
- Provide details of how the proposed use is in the public interest and how the waste container will not impact on pedestrian and vehicular movement.
- Provide details as to the slope and surface conditions of the area proposed to be used and how the area is appropriate for the intended use.
- Provide details of the proposed method of covering the waste container to prevent materials from being blown out so the environment is protected from litter.
- Show how the placement of the waste container will not impact on the view of traffic and advisory signs.
