5. Fire Safety Measures

1. All essential fire safety measures for the building must be listed for a final fire safety certificate
2. All essential fire safety measures for the relevant part of the building must be listed for an interim fire safety certificate

Fire Safety Measure	Status*	Date**	Minimum Standard of Performance

* Indicate whether the measure is new (N), existing (E) or modified (M)

** Date (DD-MM-YYYY) measure was assessed by a properly qualified person

A fire safety certificate must generally deal with all essential fire safety measures in the current fire safety schedule for the building. However, the certificate need not deal with any measure the subject of other fire safety certificates or fire safety statements issued within the previous 6 months. The assessment of a measure must have been carried out within 3 months prior to the date on which this fire safety certificate is issued.
