Dear Mr McKee

**Ku-ring-gai Local Environmental Plan (Local Centres) 2012  
Reclassification of 8-10 Tryon Road and 3-5 Kochia Lane, Lindfield**

I am writing in response to Council's request for a Gateway determination under section 56 of the *Environmental Planning and Assessment Act 1979* ('EP&A Act'), in respect of a planning proposal to reclassify land at 8-10 Tryon Road and 3-5 Kochia Lane, Lindfield, from community to operational land.

As delegate of the Greater Sydney Commission, I have now determined that the planning proposal should proceed subject to the conditions in the attached Gateway determination.

Council is reminded of its obligation for undertaking a public hearing in relation to the proposed reclassification of land in accordance with the Department's Practice Note PN 09-003, Classification and reclassification of public land through a local environmental plan.

The amending Local Environmental Plan is to be finalised within 9 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the Planning Proposal within 4 weeks from the week following this determination. Council's request for the Department to draft and finalise the Plan should be made 6 weeks prior to the projected publication date.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, action may be taken under section 54(2)(d) of the *Environmental Planning and Assessment Act 1979* if the time frames outlined in this determination are not met.

If you have any questions regarding this matter, I have arranged for Mr Terry Doran, of the Department to assist you. Mr Doran may be contacted on (02) 9860 1579.

Yours sincerely

07/03/2016
