

Ku-ring-gai Wildflower Garden

2008 Organic Gardening Programs

Come and join us for these **hands-on** workshops. The courses will involve a little theory and a lot of practical information!

Celebrating the Harvest

April 5 9:00am-1:00pm \$30

Join us and enjoy Autumn in the garden and kitchen! Topics include: harvesting techniques, growing your cool season garden, green manures, seed saving, canning, and drying.

Take home some **canned goods** we make together!

Thyme with Herbs

May 31 9:00am- 12:00pm \$15

Wondering how to grow great herbs? We will cover how to grow them in pots, within the garden, and how to create a herb spiral! Learn how to **use and dry culinary herbs**. Enjoy yummy **pesto** from the garden and take home a **beautiful herb vinegar**.

Intro to Organic Vegetable Gardening

June 28 9:00am- 4:00pm \$30

This course will cover all the **basics**, including different organic approaches and techniques, garden design, seed starting, composting, soil preparation, planting, irrigation and pest problem solving. Learn all this and some grower's secrets too.

Be prepared to get your hands dirty!

Backyard Chooks for Beginners

July 26 9:00am- 12:00pm \$15

Have a fun day talking about chooks and their needs. Learn how to **build your own coop, handle a live chicken, and keep your chooks healthy**. Explore all the things about chickens you wanted to know but were afraid to ask !

All workshops are held at the Education Centre and Organic Garden in the Ku-ring-gai Wildflower Garden, 420 Mona Vale Road, St. Ives
